

SOCIALLY RESPONSIBLE INVESTMENT POLICY WORKING GROUP

3 December 2019.

Meeting Summary

The Socially Responsible Investment Policy Working Group met for their inaugural meeting on 3 December 2019. The Working Group reviewed the mandate from Council and agreed on the terms of reference, method of working and the aim of their report for Council. The Working Group discussed mechanisms to gather views and expertise, including a designated email inbox and invitations to external individuals or groups to provide specific views.

Given the challenging timetable, the Working Group agreed to establish a small support group to provide research, administrative, and logistical support.
