**Who should apply:**

**MBBS Students, who are in Year 3 or Year 4 (external students can apply) as of April 2020 (except Biomedical Engineering and Management pathway)**

**Campus/Location:** South Kensington

**Project details:**

**We are keen to recruit Medical students from the following years status as of April 2020)**

1. Two 3rd year students : fulltime (15th June-10th July)
2. Two 4th year internal students: fulltime (15th-26th June) and part time (3hrs/week; 29th June-10th July)
3. Two external intercalators: fulltime (15th-26th June)

Our project explores the support provisions in Year 4 curriculum through a partnership approach between staff and students. In this collaboration, we would adopt an open-minded attitude and encourage partners to challenge each other's ideas. Through this process, we seek to identify good practices and areas of concerns in our curriculum. This understanding will inform the development of resources aimed at improving the student learning experience. In this educational role, students will be participating in focus group discussions and get involved in co-designing some of these resources.

This is an excellent opportunity to those who wish to develop their professional skills outside the core curriculum. In the role as a partner, you will develop team working, negotiation & interpersonal skills and will be encouraged to be creative & innovative. We would actively support and provide mentorship to students interested in applying for the Imperial Award

(<https://www.imperial.ac.uk/students/imperial-award/>). For third year student, this experience is likely to make you feel better prepared for the upcoming year. This is your chance to have a say and give to the broader Imperial community of students.

#### How to apply:

Interested student should email to [P.Parthasarathy@imperial.ac.uk](mailto:P.Parthasarathy@imperial.ac.uk) explaining why they wish to engage with this project (please keep this concise to 300-500 words). Where there are several interested students, we would use an informal meeting (in person or virtually) for selection purposes.

**Deadline: 30<sup>th</sup> April 2020**
