

StudentShapers recruitment: Calling all Horizons students!

Imperial Horizons: Great Expectations

Bursary: £250 per student

Who should apply: undergraduates from any department who have taken, or are taking, any Imperial Horizons module.

Campus/Location: South Kensington

Project details: This project will involve six student partners engaging with classes of students enrolled on Change Makers 20-week modules (October-March) during the 2019-20 academic year.

The student partners will design and administer an initial survey related to student expectations and undertake analysis of the data collected. A further, refined survey will then be delivered to students at the end of the module to capture follow-up responses regarding the actual learning experience.

The survey data will be analysed collaboratively between the student and staff partners and then presented at a final seminar. The project should require a maximum of 2 hours' engagement per week from the student partners.

How to apply:

1. Read the Partnership Description document for further details on this project.
2. [Email the Change Makers Team](mailto:horizons.changemakers@imperial.ac.uk) (horizons.changemakers@imperial.ac.uk) with a short statement of interest (max 200 words). Your statement should address the application criteria outlined in the Partnership Description as well as your interest in participating in the project. Please include your name and CID number. You should be able to attend the first project meeting at 2pm on Wed 25 September.

Deadline: Sunday 22 September
